About NSE Academy

NSE Academy is a wholly owned subsidiary of National Stock Exchange of India, India's premier and leading BFSI/Capital markets certification entity. NAL works with schools, universities, working professionals and organizations in developing financial skills through our programs in various aspects of banking, financial services, financial markets and financial learning.

About Intraday Trading

Intraday trading deals with buying and selling of stocks on the same day, during the trading hours that are stipulated by the exchange. Stocks are bought and sold in large numbers strategically with the intention of booking profits in a day. This kind of trading is always beneficial whether a person is an experienced trader or beginner as the indicators and trend of the market will guide them properly.
